RANGE

TECHNICAL CHARACTERISTICS

- SUS 440C Steel-61°HRC**
- For a cutting versatility : clean and precise for straight and point cutting. After a few uses, you'll appreciate the slicing subtlety.
- Concave blades with rounded convex sharpening for a perfect blade crossing and a durable edge.
- Micrometric screw with adjustment key for blade pressure.

* Suggested hairstylist price excluding tax.

** HRC (Rockwell scale for hardness).
